The Pear-Scape Trail project was established in 2016 by the Pearland Convention and Visitors Bureau to promote cultural tourism and community pride by returning pears to Pearland in an entirely different and artistic format, scattered sculptures of the namesake fruit.

The trail began with 20 four-foot pear sculptures, painted by local artists and placed at visitor destinations across Pearland, and continues to grow with more sculptures sponsored and planted.

An initial committee developed the criteria, defined the pear design mold, and the Pearland Convention and Visitors Bureau funded the initial cost of the 20 pears from the city's hotel/motel occupancy tax. Remaining funds for the Pear-Scape Trail were raised through pear sponsorship tiers, which consisted of gold, green, and community levels. The program continues to be managed by the Pearland Convention and Visitors Bureau, and we're incredibly grateful for the hard work and dedication of our many Pear-Scape partners.

Scavenger Hunt

Take part in official Pear-Scape Trail scavenger hunts by first finding our printable clues at VisitPearland.com/Pearscape. Choose your own adventure at personalized skill levels, grab your camera, and begin the search for your favorite pear out of the 23 installed across Pearland.

Register for the digital version of the Pear-Scape Trail at VisitPearland.com/PearscapePassport for an interactive, check-in process and earn points towards prizes from the Pearland Convention and Visitors Bureau office.

Let us know where you are on the trail – take a selfie with your favorite pear and share on social media using #VisitPearland.
